The video games industry could be New Zealand’s next creative industry boom, but a lack of government support is holding it back. Baz Macdonald reports. For a small country, New Zealand has had ...

How video games could be New Zealand’s next big creative

Little Entrepreneurs: Business For Kids. Teaching children about business at a young age is important for the future of business as a whole. When kids are taught the specific lessons of money management and organizational skills, they can not only apply their skills towards building a business for themselves, but they can also apply the skills they have learned to their personal lives.

Little Entrepreneurs: Business For Kids | BSchool.com

The Small Business Game has been provided for free to anyone who wishes to play for a number of years. Unfortunately it costs a lot of money to keep it running and it makes a huge difference to receive small donations from our players.
